Mobile Property Pass required to transport federal equipment

Personnel carrying government equipment on to or off Redstone Arsenal and the Marshall Center must have a Mobile Property Pass (MSFC Form 4373). Attempting to enter or exit the Arsenal while in possession of government property without this pass could lead to delays, and confiscation of the equipment. Go to <http://co.msfc.nasa.gov/ad40/propcust.pdf> to find the property support assistant for your organization who can help you fill out this form.
